An Autobiography of The Senior Class

Eighty freshmen started their high school career in the year of 1966. Bruce Arps was chosen our first president, with Dale Carter as vice-president, Joy Houts as secretary, Diane Wells as treasurer, and Tom Mitchell as news reporter. Our student council representatives were Sandy Bartels and Mark Jaqua. Scott Slee escorted our first attendant, Joy Houts.

Seventy-nine sophomores took the second step on the road to graduation. Our officers the second year were, Tom Mitchell, president; Donna Wells, vice-president; Debbie Young, secretary; and Kelvin McIntosh, treasurer. Our student council members were Sandy Bartels and Mark Jaqua. We were ably advised by Mr. Anthony Roberts and Mrs. Ellen Foust. It was a particularly eventful year as our concert band traveled to State Contest where we received an excellent rating. Under the direction of Mrs. Louisa Strock, Mr. Anthony Roberts, and Mrs. Margaret Vollmer, we as members of the cast, crew, and band, produced the musical comedy, SKY HIGH. In addition we sponsored the Homecoming dance, where Debbie Young represented us as our attendant. We also selected our class rings.

The school year 1968-69 meant to seventy-nine juniors that we had successfully completed half of our journey up that road to graduation. Mark Jaqua headed our class as president; Lawrence Westhoven, vice-president; Mike Cymbola, treasurer; Debi Davis, secretary; and Nancy Krieger, news reporter. Our student council members were Nancy Tietje, Mark Jaqua, and Bruce Arps.

Some of the highlights of our junior year were the Homecoming, where Barbara Reetz represented us as our attendant. We operated the lunch stand during football season and sold Christmas cards. We presented the seniors with "Magic Moments," the Junior-Senior Prom, which was held at Holiday Inn.

Proud to be the first graduating class to have had both kindergarten and vocational school opportunities, we started our final year with 75 seniors. Our class President Bruce Arps, along with Vice-Presidents Dale Carter and Keith Carpenter, Secretary Karen McClure, Treasurer Janet Baker, and News Reporter Vic Snow have led us to our final destination. Student Council representatives were Nancy Tietje, Tom Mitchell, John Kessler, and Bruce Arps.

Queen of the annual Homecoming festivities were Nancy Tietje, with Sandy Peavey as senior attendant.

Many events highlighted our final year. The senior class play, "Pillow Talk," was a great success. The spring musical, "Bye Bye Birdie," had many seniors in the cast and crews. The 1970 Junior-Senior Prom "Camelot" was one of the final events of the year. On May 24, 1970, the 1970 senior class of LCHS was graduated and our high school days ended, leaving us with many memories.

1970 TRACK

The Liberty Center Cindermen are young and inexperienced but have shown great potential for the years to come. More than half of the men lettering this year are Freshmen and Sophomores so the best is yet to come. By being in two leagues we ran mostly league meets which made the competition very strong. We did not impress anyone by our team victories which were only four but we did have a few individuals which were outstanding. Our best team effort came at the district meet against 20 other Class A schools. By getting a first in the mile relay, a second in the two mile, a third in the 880, and a fourth in the high hurdles, we managed to get enough points for seventh place.

Some of our most consistent men were Rodger Ward in the discus, Bruce Gritemen and Kelly McIntosh in the hurdles, Mike Snow and Bill Glanz in the 440, Terry Slagle in the mile, Scott Slee and Dave Desgrange in the 880, Bob Hill in the two mile, Ron Hoover and Brad Brown in the 220, Tom Vorwerk in the long jump and the mile relay team of Desgrange, Slee, Glanz, and Snow. The most impressive performances came from the mile relay team which was victorious in the NWOAL league meet and the district meet. In the forty-four year history of the NWOAL it was the first time a team from L.C. ever won this event. If this team is successful at the regional meet they will qualify for the state meet which would be tremendous since one member is a Freshman and two are Sophomores. Overall, I am expecting great things out of this young team in the next two years and if the interest and desire stays with them they will go places in the track world.

We had only four Seniors on the squad this year but these four, Scott Slee, Rodger Ward, Bob Hill, and Kelly McIntosh contributed greatly to the team, not only by their performances but also by their leadership. As coach I would like to thank these men for their help, dedication, and desire during this past season and wish them the best of luck in their future.

BASEBALL SEASON

The Senior Class was represented in baseball this year by the following members of the Class of 70: Steve Hicksted, Bob Hill, Dale Carter, and Mark Jaqua.

Boosters Club

This picture shows some of the Boosters working at one of their money raising projects, selling tickets on a football.

Whenever problems occurred in the Athletic Department of the school there was one organization that helped them. The Booster's Club was the group ready with their help. They had a membership of 258 members and they held their meetings on Wednesday night before each home game.

One of the biggest projects was the resodding of the football field last spring. Many of the members donated their time and equipment in getting this done.

During the football season they provided milk for the players after the games, paid for the movie film and processing, bought a set of football jerseys for the players and they donater $500 on the instant video replay equipment. They helped other sports by sponsoring clinics and this spring they sponsored the All Sports Banquet.

They had various money raising projects to finance all their activities. They sold stadium wraps, membership dues, had a chicken barbecue, and this spring they had a variety show, "The Roaring Twenties."

The entire community wants to say "thank you" to this group. They have done much to help the Athletic program in our school.
